To Whom It May Concern:

I am writing on behalf of my patient, Mrs. Shari Criso, who is under my care for her medical condition. At this time, air travel is contraindicated and poses a substantial risk to the patient.

Consequently, Mrs. Shari Criso should avoid flying until medically cleared. We hope she can find alternative arrangements, such as video conferencing, if available, to enable her to participate in important meetings, while avoiding air travel.

Sincerely,

Radu Kramer, M.D.
